**Krimpkous Polyolefin 1:2**

Package type: RL á 100 Metre

/productimages/460142.jpg

**PRODUCT SPECIFICATIONS:**

|  |                               |
|--|-------------------------------|
| Colour                                 | Yellow                        |
| Inner diameter before heat-shrink (mm) | 9.5                           |
| Inner diameter after heat-shrink (mm)  | 4.7                           |
| Length (m)                             | 100                           |
| Shrink rate                            | 2:1                           |
| Nominal diameter inch                  | 3/8 inch                      |
| Wall thickness after shrinking (mm)    | 0.65                          |
| Operating temperature (°C)             | -55 - +135                    |
| (°C)                                   | 100                           |
| Model                                  | Thin-walled                   |
| Material                               | Crosslinked polyolefin (XLPO) |
| Halogen free                           | Yes                           |
| With inner glue                        | No                            |
| Printable                              | No                            |
| UL approval                            | Yes                           |
| Type                                   | Heat-shrink                   |
| Breakdown voltage (kV)                 | 17                            |
