PRODUCT SPECIFICATIONS:

|  |                               |
|--|-------------------------------|
| Colour                                 | Black                         |
| Inner diameter before heat-shrink (mm) | 235                           |
| Inner diameter after heat-shrink (mm)  | 65                            |
| Length (m)                             | 1.22                          |
| Shrink rate                            | 4:1                           |
| Wall thickness after shrinking (mm)    | 3                             |
| Operating temperature ( °C)            | -40 - +80                     |
| ( °C)                                  | 110                           |
| Model                                  | Thick-walled                  |
| Material                               | Crosslinked polyolefin (XLPO) |
| Halogen free                           | Yes                           |
| With inner glue                        | No                            |
| Printable                              | No                            |
| UL approval                            | No                            |
| Type                                   | Heat-shrink                   |
| Breakdown voltage (kV)                 | 17                            |
