## 863712 - LCB-SPOT-62RB-WW-WH

Led spots, inbouw

863720.jpg

Package type: CT á 1 pce

PRODUCT SPECIFICATIONS:

|                                                                                  |                                         |
|----------------------------------------------------------------------------------|-----------------------------------------|
| Spot                                                                             |                                         |
| Mounting method                                                                  | Built-in                                |
| Colour temperature (K)                                                           | 3000 - 3000                             |
| Colour of light adjustable                                                       | No                                      |
| Nominal current (mA)                                                             | 0 - 350                                 |
| Nominal voltage (V)                                                              | 8.8 - 8.8                               |
| Voltage type                                                                     | DC                                      |
| Max. system power (W)                                                            | 3.1                                     |
| (lm)                                                                             | 0 - 320                                 |
| Energy efficiency class of the light source according to EU regulation 2019/2015 | E                                       |
| Beam angle                                                                       | Medium beam 21-40°                      |
| Beam angle (°)                                                                   | 40                                      |
| Built-in depth (mm)                                                              | 27                                      |
| Height/depth (mm)                                                                | 27                                      |
| Outer diameter (mm)                                                              | 62                                      |
| Built-in diameter (mm)                                                           | 50 - 60                                 |
| Housing colour                                                                   | White                                   |
| Degree of protection (IP), front side                                            | IP44                                    |
| Other                                                                            |                                         |
| Suitable for ceiling mounting                                                    | Yes                                     |
| Luminous flux adjustable                                                         | Continuously variable                   |
| Suitable for lamp power (W)                                                      | 3.1 - 3.1                               |
| Suitable for clamp-mounting                                                      | Yes                                     |
| Adjustability                                                                    | Rotating and swivelling                 |
| Lamp type                                                                        | LED not exchangeable                    |
| With light source                                                                | Yes                                     |
| Electrical connection with connector system                                      | Yes                                     |
| Type of control gear                                                             | LED operating device current-controlled |
| With control gear                                                                | No                                      |
| Colour of light                                                                  | White                                   |
| Housing material                                                                 | Aluminium                               |
| Light sharing                                                                    | Symmetric                               |
| Colour rendering index CRI                                                       | 80-89                                   |
| Suitable for surface mounting                                                    | No                                      |
| Suitable for built-in mounting                                                   | Yes                                     |
| Optics                                                                           | Reflector                               |
| (cm)                                                                             | 100                                     |
| Light distributor                                                                | Reflector                               |
| Light outlet                                                                     | Direct                                  |
| Number of poles                                                                  | 2                                       |
| Colour consistency (McAdam ellipse)                                              | SDCM1                                   |
| Exchangeable control gear                                                        | Yes                                     |

Beam angle adjustable No

With presence indicator No

Dimmable Yes
