**Aanwezigheidsdetector Plafond Inbouw**

Package type: CT á 1 pce

**PRODUCT SPECIFICATIONS:**

|                                       |                         |
|---------------------------------------|-------------------------|
| Model                                 | Presence detector       |
| Passive infrared                      |                         |
| Technique                             | Passive infrared        |
| Constant light control                | No                      |
| HVAC-control                          | Yes                     |
| Networkable                           | No                      |
| Suitable for wall mounting            | No                      |
| Optimum mounting height (m)           | 2.5                     |
| Diameter reach on floor (m)           | 7                       |
| Suitable for wireless transmission    | No                      |
| Remote operation                      | Yes                     |
| With remote control                   | No                      |
| Mounting method                       | Flush mounted (plaster) |
| Max. mounting height (m)              | 5                       |
| Material                              | Plastic                 |
| Material quality                      | Thermoplastic           |
| Surface protection                    | Lacquered               |
| Surface finishing                     | Matt                    |
| Colour                                | White                   |
| RAL-number (similar)                  | 9010                    |
| Transparent                           | No                      |
| Degree of protection (IP)             | IP20                    |
| Detection angle horizontal (°)        | 1 - 360                 |
| (mm)                                  | 50                      |
| (m)                                   | 10                      |
| Built-in size (mm)                    | 65                      |
| Number of switching zones             | 1                       |
| Scan angle (°)                        | 360                     |
| Max. presence range (m <sup>2</sup> ) | 165                     |
| Connection type                       | Other                   |
| With connection cable                 | Yes                     |
| Width (mm)                            | 80                      |
| Height (mm)                           | 15                      |
| Diameter (mm)                         | 80                      |
| Built-in depth (mm)                   | 38                      |
| Built-in diameter (mm)                | 65                      |
| Yes                                   |                         |
| Compatible with Google Assistant      | No                      |
| Compatible with Amazon Alexa          | No                      |
| IFTTT support available               | No                      |
| No                                    |                         |
| (st)                                  | 5                       |
