## 876753 - SPOT-62RB-EWW-ZW

Led spots, inbouw

/productimages/876753.jpg

Package type: CT á 1 pce

## PRODUCT SPECIFICATIONS:

|  |   |
|--|---|
| Spot   |   |
| Mounting method  | Built-in                                |
| Dimmable   | Yes                                     |
| Colour temperature (K)   | 2700 - 2700                             |
| Colour of light adjustable   | No                                      |
| Rated luminous flux according to IEC 62722-2-1 (lm)                              | 215                                     |
| (lm)   | 0 - 215                                 |
| (lm/W)   | 0 - 102                                 |
| Nominal current (mA)   | 0 - 700                                 |
| Nominal voltage (V)  | 3 - 3                                   |
| Voltage type   | DC                                      |
| Max. system power (W)  | 2.1                                     |
| Energy efficiency class of the light source according to EU regulation 2019/2015 | E                                       |
| Beam angle   | Medium beam 21-40°                      |
| Beam angle (°)   | 35                                      |
| Built-in height (mm)   | 27 - 27                                 |
| Height/depth (mm)  | 27                                      |
| Outer diameter (mm)  | 62                                      |
| Built-in diameter (mm)   | 50 - 50                                 |
| Housing colour   | Black                                   |
| Degree of protection (IP), front side  | IP44                                    |
| Other  |   |
| Degree of protection (IP)  | IP44                                    |
| Suitable for ceiling mounting  | Yes                                     |
| Luminous flux adjustable   | Continuously variable                   |
| Suitable for lamp power (W)  | 2.1 - 2.1                               |
| Adjustability  | Rotating and swivelling                 |
| Lamp type  | LED not exchangeable                    |
| With light source  | Yes                                     |
| Electrical connection with connector system                                      | Yes                                     |
| Type of control gear   | LED operating device current-controlled |
| With control gear  | No                                      |
| Colour of light  | White                                   |
| Housing material   | Aluminium                               |
| Light sharing  | Symmetric                               |
| Suitable for surface mounting  | No                                      |
| Suitable for built-in mounting   | Yes                                     |
| Optics   | Lens                                    |
| (cm)   | 100                                     |
| Light distributor  | Focal lens                              |
| Light outlet   | Direct                                  |
| Number of poles  | 2                                       |

---

|                         |    |
|-------------------------|----|
| Beam angle adjustable   | No |
| With presence indicator | No |
