## 946186 - FP10TB-GN25.4

Krimpous Polyofin In Trekboxen

Package type: CT á 5 Metre

/productimages/946186.jpg

**PRODUCT SPECIFICATIONS:**

|  |                               |
|--|-------------------------------|
| Colour                                 | Green                         |
| Inner diameter before heat-shrink (mm) | 25.4                          |
| Inner diameter after heat-shrink (mm)  | 12.7                          |
| Length (m)                             | 5                             |
| Shrink rate                            | 2:1                           |
| Nominal diameter inch                  | 1 inch                        |
| Wall thickness after shrinking (mm)    | 0.89                          |
| Operating temperature (°C)             | -55 - +135                    |
| (°C)                                   | 100                           |
| Model                                  | Thin-walled                   |
| Material                               | Crosslinked polyolefin (XLPO) |
| Halogen free                           | Yes                           |
| With inner glue                        | No                            |
| Printable                              | No                            |
| UL approval                            | Yes                           |
| Type                                   | Heat-shrink                   |
| Breakdown voltage (kV)                 | 10                            |
| Self-extinguishing                     | Yes                           |
